IMPORTANT INFORMATION: BANK DEPOSIT ACCOUNTS

How to Contact Us - You may call us at the telephone number listed on the front of this statement.

Updating your contact information - We encourage you to keep your contact information up-to-date. This includes address, email and phone number. If your information has changed, the easiest way to update it is by visiting the Help & Support tab of Online Banking.

Deposit agreement - When you opened your account, you received a deposit agreement and fee schedule and agreed that your account would be governed by the terms of these documents, as we may amend them from time to time. These documents are part of the contract for your deposit account and govern all transactions relating to your account, including all deposits and withdrawals. Copies of both the deposit agreement and fee schedule which contain the current version of the terms and conditions of your account relationship may be obtained at our financial centers.

Electronic transfers: In case of errors or questions about your electronic transfers - If you think your statement or receipt is wrong or you need more information about an electronic transfer (e.g., ATM transactions, direct deposits or withdrawals, point-of-sale transactions) on the statement or receipt, telephone or write us at the address and number listed on the front of this statement as soon as you can. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- Tell us your name and account number.
- Describe the error or transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

For consumer accounts used primarily for personal, family or household purposes, we will investigate your complaint and will correct any error promptly. If we take more than 10 business days (10 calendar days if you are a Massachusetts customer) (20 business days if you are a new customer, for electronic transfers occurring during the first 30 days after the first deposit is made to your account) to do this, we will provisionally credit your account for the amount you think is in error, so that you will have use of the money during the time it will take to complete our investigation.

For other accounts, we investigate, and if we find we have made an error, we credit your account at the conclusion of our investigation.

Reporting other problems - You must examine your statement carefully and promptly. You are in the best position to discover errors and unauthorized transactions on your account. If you fail to notify us in writing of suspected problems or an unauthorized transaction within the time period specified in the deposit agreement (which periods are no more than 60 days after we make the statement available to you and in some cases are 30 days or less), we are not liable to you and you agree to not make a claim against us, for the problems or unauthorized transactions.

Direct deposits - If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you may call us to find out if the deposit was made as scheduled. You may also review your activity online or visit a financial center for information.

Important Messages - Please Read

We want to make sure you stay up-to-date on changes, reminders, and other important details that could impact you.

Important Information – The terms for waiving the monthly maintenance fee for Students on Bank of America Advantage SafeBalance and Bank of America Advantage Plus account settings are changing.

Please review these changes and effective dates to make sure you understand how they may affect you.

Beginning November 12, 2021, Students can now qualify for a monthly maintenance fee waiver up until the age of 25 (previously 24 years) on SafeBalance Banking and Advantage Plus Banking accounts. This benefit is available when you notify us that an account owner is a student under 25 who is enrolled in school or an educational or vocational program. Please keep in mind, these waivers will no longer apply when the Student turns 25, ceases to be an owner of the account, or notifies us that they are no longer enrolled in school or an educational or vocational program.

Effective February 18, 2022, the Student waiver will no longer be available to be applied on Bank of America Advantage Plus accounts. However, if the Student waiver was applied to an Advantage Plus account BEFORE February 18, 2022, we will continue to waive the monthly maintenance fee until the Student turns 25, is no longer an owner of the account, or notifies us they are no longer enrolled in school or an educational or vocational program (Footnote 1).

We are here to help

To request the Student waiver or to talk about account options, feel free to schedule an appointment with us at bankofamerica.com/appointments.

(Footnote 1) As a reminder, to avoid the \$12 monthly fee on the Advantage Plus account, you must meet ONE of the following each statement cycle: Have at least one qualifying direct deposit of \$250 or more, OR Keep a minimum daily balance of \$1,500 or more in your account, OR Enroll in the Preferred Rewards program and qualify for the Gold, Platinum or Platinum Honors tier (first 4 checking accounts) or Diamond or Diamond Honors tier (unlimited). For more information about all Advantage Banking accounts, please review the Personal Schedule of Fees at bankofamerica.com/fees.
