CITADEL'S STATEMENT DISCLOSURE

Payment Due Date

Your payment is due by the payment due date. If that date is a Saturday, Sunday or holiday then payment is due the last business day before the due date. You may pay your total balance at any time.

Errors on Your Statement

If a charge appears on your statement that you don't recognize:

- Check with family members or other people that have access to your debit card, line of credit or account number.
- If the dollar amount of the disputed item is recognized but the merchant name or location is different, the charge may be from a company that bills under a different name or from a central location.
- Did you or any other authorized user place a mail or telephone order?
- If you still don't recognize the charge, please refer to the BILLING RIGHTS SUMMARY below.

Merchant Credits

If you have received a credit slip for merchandise you returned, please allow up to 45 days from the date of the credit slip for the credit to appear on your account. If it has not posted to your account by then, please refer to the BILLING RIGHTS SUMMARY below. Include a copy of your credit slip in your correspondence.

Merchandise Quality

If you have a dispute involving the quality of the merchandise or service you received, please attempt to resolve the dispute directly with the merchant. If you are not successful, write us as soon as possible explaining your dispute with the merchant. You may not have to pay the remaining amount due. Certain restrictions apply. See the "Special Rules for Credit Card Purchases" in the BILLING RIGHTS SUMMARY below.

COMPUTATION OF LOAN FINANCE CHARGES

Loan accounts

The balance on which the finance charge is computed is the actual unpaid loan balance each day after credits are subtracted and new advances or other charges are added. The finance charge is computed when you make a payment. For each day since your last payment the unpaid balance in your account is multiplied by the corresponding daily periodic rate. The sum of these charges is the finance charge you owe on the loan amount.

BILLING RIGHTS SUMMARY

In Case of Errors or Questions About Your Bill

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us [on a separate sheet] at the address shown on your bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, please provide the following information:

- Your name and account number
- The dollar amount of the suspected error
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item of which you are unsure.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you Question.

Special Rules for Credit Card Purchases

If you have a problem with the quality of goods or services that you purchased with a credit card and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.)

Terms and Conditions for Credit Card

Please refer to the disclosure that accompanied your card for the terms and conditions governing the use of this account. These terms and conditions may be amended or supplemented by separate notices to you, including any notices you have previously received from us.

Payment Crediting, Credit Balances

Closing Date

All transactions received after the closing date will appear on your next statement.

Electronic Transfer Error Resolution
